

¿Qué es la Web of Science?

Base de datos de referencias bibliográficas de artículos de revistas, que ofrece el acceso a información actual y retrospectiva de resúmenes de autor e índices de citas de casi 10.000 publicaciones internacionales en los campos de las ciencias, ciencias sociales, artes y humanidades.

La [Web of Science](#) forma parte de la *Web of Knowledge (WoK)*, plataforma que integra junto a sus bases de datos fuentes adicionales de contenido con recursos Web.
